

MEMBERSHIP SERVICES

- **All members** receive an information packet with the first year of membership. All members receive discounts on purchases. Membership also includes a subscription to VEDA's quarterly newsletter, *On the Level*, which provides information on topics such as diagnosis, treatment, research, and coping strategies; regional support group news; a schedule of upcoming conferences and training opportunities; Internet links; and items in the news.
- **Basic membership** offers members the option of joining a communication network of other VEDA members who understand what it is like to experience the stages of seeking a diagnosis, finding effective treatment, and managing the personal impacts of a vestibular disorder.
- **Professional members** receive discounts on bundles of educational materials for distributing to patients, and an invitation to join VEDA's online provider directory of vestibular specialists (with more than 68,000 requests *per month*).
