### MEMBERSHIP SERVICES

All members receive an information packet with the first year of membership in addition to discounts on purchases and a subscription to VEDA's quarterly newsletter, *On the Level*, containing information on diagnosis, treatment, research, and coping strategies; regional support group news; a conference and training schedule opportunities; and more.

Basic members have the option of joining a communication network of other VEDA members who understand the experience of seeking a diagnosis, finding effective treatment, and managing the personal impacts of a vestibular disorder.

Professional members receive discounts on bundles of educational materials for distributing to patients and an invitation to join VEDA's popular provider directory of vestibular specialists.
