

Vestibular Disorders Association

PO Box 13305 • Portland, OR 97213-0305 • (800) 837-8428 • (503) 229-8064 (fax) • veda@vestibular.org • www.vestibular.org
A nonprofit organization dedicated to serving people with inner ear balance disorders

To Health Professionals Specializing in Vestibular Disorders:

The Vestibular Disorders Association (VEDA) receives over 13,000 requests *per month* for names of health care professionals who specialize in vestibular disorders. We accommodate those requests by providing our listings (hardcopy and electronic formats) for any state in the U.S. or region of the world.

You may view our current list of participants in your area by visiting:
www.vestibular.org/resource.html

If you offer diagnosis and/or treatment of vestibular disorders and would like to be part of this information network, please fill out the form below and return it to us by fax or mail with your membership information and dues.

After we add your name to the resource list, we will contact you annually to inquire about any relevant updates or changes you desire to your entry.

Thank you for helping us to increase access to your services.

Note: Maintaining these lists requires much staff time, so your donations or dues to support these efforts are appreciated. **If your membership is not current, please submit your new (or renewal) membership dues with your referral listing entry information** using the form found at: www.vestibular.org/pdf/orderform.pdf
