South Dakota Resource List

These are health professionals and others with an expressed interest in vestibular disorders. We hope this list provides a useful resource. However, VEDA does not rank the people on the list or make endorsements or non-endorsements. If you experience severe dizziness or balance problems, the place to start is with your family physician or internist. You will probably need a physical examination to determine if your dizziness is caused by a problem unrelated to the inner ear. If your physician rules out these other causes, you may find this list useful.

Therapists Who Provide Vestibular Rehabilitation

Rapid City: Carlene Landguth, PT
Black Hills Rehabilitation Hospital
2908 Fifth St.
Rapid City, SD 57701; (605) 719-1100
§

Revised: June 15, 2004

Endnotes:

§ These resources have indicated to us that they perform in-office BPPV head maneuvers.
