

## PUTTING THE “FUN” IN FUNDRAISING

### COMMUNITY PARTNERS

**Partner** with restaurants, clubs or your vestibular healthcare provider to host a donation box or ask them to donate a percentage of their sales on a particular day to your campaign.

### PERSONAL CAMPAIGN

Create a **P2P** (peer-to-peer) fundraising page on [vestibular.org/BAWP2P](http://vestibular.org/BAWP2P). Tell your **story**, share your goal and upload a photo, then ask friends, family and co-workers to support you.

### SHARE ON FACEBOOK

**Share** a link to your P2P on Facebook. Include a short summary on the post to encourage friends to visit your P2P and make a donation.

### TELL YOUR STORY

The most **important** thing is to tell people your story, **why** this cause is important to you, and **ask** them to support you.

### OFFICE EVENT

Have a **jar** at your office asking for donations. **Sell** baked goods or candy. Ask your supervisor to have a **\$5** jeans day. **Hold** a 50-50 raffle.

### HOST AN EVENT

Have **friends** over for dinner, tea, or a movie or host an evening at a restaurant. Tell your story and **ask** them to help you reach your goal.

### REDUCE CLUTTER

Have a garage **sale** or sell a craft you make. You can also sell your items online through e-Bay or Craigslist.

### TEACH LESSONS

Are you a painter, musician, chef? No matter what your special skill, **someone** is interested in learning. Host a group and ask for donations.

### HOLD AN EVENT THAT IS UNIQUELY YOU

**Share** it with the vestibular community on Facebook.
